**Recent Addition at Barnes Wendling CPAs, Inc
FOR IMMEDIATE RELEASE**

Barnes Wendling Valuation Services is pleased to announce that Jason Evans has been hired as senior financial analyst. He started his new position March 31.

Mr. Evans, from Avon, was previously employed by Stout Risius Ross Inc. as a senior analyst. His seven years of professional experience also includes a research position at FTN Midwest Securities Corporation where he provided equity coverage of public companies participating in the healthcare industry. His areas of specialization include the valuation of privately held companies as well as economic and industry specific research and analysis.

A graduate of John Carroll University, Jason earned his Bachelor of Science in Business Administration from the Boler School of Business.

Barnes Wendling Valuation Services, Inc. is a wholly owned subsidiary of Barnes Wendling CPAs, Inc. The firm specializes in valuation and litigation services.
